Dear Ms.Philpott:

As owner of Carbondale City Hall, the City of Carbondale is pleased that the Committee to Restore Carbondale City Hall has been formed, and has undertaken the project of repairing the tower clock, the outside walls, and the roof of Carbondale City Hall.

My administration is at present,and has always been, committed to Carbondale City Hall. Since I have been in office, the Office of the Mayor, as well as the City Council Chambers, have been restored. Much remains to be done. It is unfortunate that city funds are not now available for that purpose.

Carbondale City Hall is clearly one of the most important buildings in Carbondale,and one that deserves not only to be fully restored, but also to be included in the State and National Registers of historic buildings.

We ask, therefore, that every consideration be given to the nomination form that is presently being submitted on behalf of Carbondale City Hall.

Please do not hesitate to ask if we can be of any assistance to you in evaluating the historical and architectural importance of Carbondale City Hall.

Sincerely,

Fred J.Mancuso
Mayor
